### **Visitors and Parking**

The bus lane needs to be free from all traffic during the morning when buses unload (8:15 to 8:35 am) and at the end of the day bus loading times (2:45 to 3:15 pm). As well as our midday pick up and drop off (11:10am – 12:20 pm). Please do not drive through, pick up or park in the bus lane during these times. Parking is available in front of the school, as well we have visitor parking stalls designated in the parking lot to the south of the school.

We ask that vehicles parked in the equal access stalls display an approved equal access placard.

### **Students Leaving the School**

To ensure the safety of our children, students leaving the school for any reason during school hours must sign out at the school office. Children will only be released to their parents or guardians. Should an alternate drop off, pick up, etc. be necessary parents must state their request in writing and send it to school with their child.

Sturgeon Public Schools Emergency Preparedness Program:

Schools are considered to be one of the safest places in our communities. However, in reality, an emergency can occur anywhere at any time. DURING ANY EMERGENCY, OUR FIRST PRIORITY is the safety of our students and staff. In order to provide an effective response to any school crisis, Sturgeon Public Schools has recently updated the Emergency Response Plan.

The updated Plan continues to work in conjunction with other local emergency plans, since a school emergency could require the involvement of numerous agencies. The plans created for individual schools, along with the Division Plan, are reviewed annually and after an emergency occurs.

There is an on-site emergency response team at each school, along with a Division-based Emergency Response Team that provides support and aid to schools at time of an emergency. All staff are regularly trained on emergency protocols and drills are practiced at each school.

Although standardized protocols and procedures provide the basis for our response, the way in which we respond to an emergency is greatly influenced by the specifics of an incident. We are driven foremost by our concern of ensuring student and staff safety.

Our Division collaborates closely with local emergency personnel to ensure plans are coordinated with appropriate agencies. The Division's plans do not replace the authority of law enforcement, fire or EMS – staff members work in full cooperation with these agencies.

### Keeping Safe

Throughout the year, Sturgeon Public Schools conduct training and drills to help better prepare students and staff for possible emergency situations. When a school is confronted with an emergency, staff will assess the situation and then decide on a course of action.

Schools conduct drills throughout the year to rehearse emergency procedures. These exercises prepare students and staff to act quickly and help to minimize a child's fear during a real emergency.

In addition to the procedures described below, schools also practice protocols such as "Drop-Cover-Hold," a method of protecting vital body parts during some natural disasters and conduct fire drills. All staff and students are required to participate in these drills.

### Lock-Down

Lock-Downs are usually used in response to acts or threats of violence to students and/or staff directly impacting the school. During a Lock-Down all doors to and within the school are locked. No one is permitted in or out of any area once it has been locked. Students and staff must respond very quickly to a Lock-Down command to get to a safe location before doors are locked. **No one, other than law enforcement, is permitted access to the building until the Lock-Down is over.**

### Hold and Secure

Hold and Secure is used in response to security threats or criminal activity outside the school. During a Hold and Secure, all entrance doors to the school are locked, with no one permitted in or out of the building. **No one, other than law enforcement, is permitted access to the building until the Hold and Secure has been cleared.**

### **Shelter-in-Place**

Generally, Shelter-in-Place is used during an environmental emergency, such as severe storms or chemical spills or medical emergencies. During a Shelter-in-Place, students and staff retreat to safe zones to seek shelter. This includes having students or staff who are outdoors come back into the school. Each school's emergency response plan identifies the safest location for its occupants and how to seal a room from hazardous conditions. **Students will not be released or dismissed until the situation has been resolved.**

### **Evacuation**

An Evacuation requires all students and staff to leave the school and go to an alternate location. This may mean only going outside and away from the building until it is safe to re-enter the school. In other cases, students and staff may need to go to an evacuation center. Parents will be informed of the alternate location through the school's Crisis Notification Network.

### **Dismissal**

Under some circumstances it may be determined that it is best to dismiss students to their homes and families as expeditiously as possible. Should this be the case, every attempt will be made to alert the emergency contact for each student of the situation and to ensure young students are not left unsupervised.

### **Reuniting with your Child**

We recognize that when an emergency occurs parents will be worried and want to be reunited with their child as quickly as possible. It is our intention to make this happen, however, to ensure every child's safety and the safety of staff, specific procedures have been established for releasing students. These procedures may be modified depending on the circumstance. Parents are asked to adhere to the parent-child reunification procedures listed below. Staff will work hard to ensure these procedures take place without delay. However, please understand the process will take some time: we ask for your patience when you arrive at the Parent-Child Reunion Area.

#### **Parent-Child Reunion Procedures**

1. A Parent-Child Reunion Area will be established. Parents will be notified at the time of the emergency of the Reunion Area's location. The location may not be at the school — the location will depend on the specifics of the emergency.
2. Students will only be released to an individual designated as legal guardian or emergency contact on the student's Emergency Form, which is completed at time of school registration. Please be sure to keep this information current with your school, as the school will only release a child to someone listed as an Emergency Contact — there will be no exceptions.
3. Valid identification is required to pick up your child. This is required to protect your child from any unauthorized individuals attempting to pick up students. Even if school personnel know

you, you must still present I.D. as the school may be receiving assistance from other schools or outside agencies.

4. You will be required to sign for the release of your child. This is extremely important, as it ensures your child, along with other students, is accounted for at all times. Please do not just take your child from the school or evacuation center without signing for his/her release.

5. Once you have been reunited with your child, please leave the area immediately. This is for your own safety and that of your child.

If you are unable to pick up your child, he/she will be kept at the Parent-Child Reunion Center until alternate arrangements can be made. Your child will be supervised at all times.

### **When an Emergency Occurs**

Although your natural instincts in an emergency may be to go to the school to safeguard your child, please understand that doing so could impede the response to the situation. Going to the school may interfere with emergency crews and school personnel efforts to deal with the emergency. Extra vehicles and people at the site make the task more difficult. Please follow the instructions provided to you through the communications channels outlined below. **Please do not come to the school to pick up your child unless requested to do so.**

If you arrive at the school in the midst of an emergency, please respect the protocol in progress. While we understand personal circumstances or initial reactions might move you to do something contrary to the school's established procedures, we cannot compromise the safety of students or staff to accommodate individual requests that could put anyone at risk.

Please **DO NOT CALL THE SCHOOL and DO NOT CALL YOUR CHILD'S CELL PHONE.** Phone systems need to remain available for handling the actual emergency.

Overloading the system may mean the school cannot communicate with first responders. Calling your child's cell phone during an emergency may be putting them at higher risk by disclosing their location or drawing attention to them during a lock-down.

### **Keeping Informed during an Emergency**

**DURING AN EMERGENCY**, it is unlikely you will be able to reach the school by phone. We will, however, make every effort to contact parents directly or by one of the methods noted below.

#### **Crisis Notification Network and/or the Media**

Parents will be alerted to emergency situations via the School's Crisis Notification Network (phone or electronic notifications) and local media. Stay tuned to local TV and radio stations for news alerts.

#### **Website, Social Media and Community Hotline**

The Division will also keep parents informed by posting information regarding the emergency on the Division website, through social media and recordings on the Division Community Hotline.

Website [www.sturgeon.ab.ca](http://www.sturgeon.ab.ca)

Division Community Hotline – 825-349-0101

### **Bussing and Inclement Weather**

Schools shall remain open to students when school bus services are suspended by the Superintendent. Parents who have brought their children to school on days when school bus services are suspended will be responsible for picking up their children at the end of the school

day. On days when the Superintendent suspends school bus services, teachers shall not conduct examinations, nor introduce new material in their courses. A direct link to obtain daily bus information and cancellations is posted on the Sturgeon Public Schools website under Transportation.

Information regarding bus cancellations is also broadcast on local radio stations and is available on local media websites. A weather bulletin is also placed on the Sturgeon Public Schools website at [www.sturgeon.ab.ca](http://www.sturgeon.ab.ca) or [www.sturgeontransport.ca](http://www.sturgeontransport.ca). The final decision to send a child to the bus stop or to school rests with the parents, even though buses may be operational.

If road conditions warrant or in the event that students are sent home early buses may bring students home without prior notification. Please arrange for a safe place for your child to go if this happens and if there is not normally someone at home. Please ensure that you have filled out and returned to the bus driver the Student Emergency Card given to you at the beginning of the year and that you update the bus driver with any changes in your emergency contact information. All students riding on school buses are required to wear winter footwear and to carry with them winter headwear and gloves or mitts during winter months. A bus driver may refuse transportation to a student who is not appropriately dressed as provided in this regulation.

Students will be kept inside the school on days when the temperature is below -25° C including wind chill. Absences by students on days when school buses do not operate whether as the result of bus failure, a decision of a contractor not to operate, or suspension of transportation services by the Superintendent, shall be deemed to be excusable.

### **Student Sensitivities**

When preparing your child's lunch please be reminded of our efforts to maintain Camilla School as a "Nut Sensitive" school. We request that students **DO NOT** bring nuts, peanut butter, or nut products to school. Please be reminded that eating is not permitted on buses due to the number of students that have food allergies. Also please be reminded that products like Nutella, peanut butter, granola bars (unless they are labelled nut free), and baked goods containing nuts or nut products are some examples of foods to be avoided.

Please be cognizant of the types of foods packed in your child's lunch, and we will do our best to ensure that we are "Nut Sensitive". If your child carries an Epi-pen or any type of medical device or medicine to be used in case of a medical emergency, please remember to check the expiration date on the medicine or device and to ensure that your emergency contact information kept at the school is updated regularly.

### **Attendance Policy**

As per Board Administrative Procedure 905, regular attendance and punctuality is a necessary component of success in school. The Education Act requires that every child who is six years of age at school opening date and who has not reached the age of sixteen years must attend school. When your child is absent, parents are asked to email the school at [camabsences@sturgeon.ab.ca](mailto:camabsences@sturgeon.ab.ca) or call the school at 780-939-2074 to confirm your child's absence.

## Focused and Effective Communication

Schools in Sturgeon Public School Division aim to be as open in their dealings as possible and welcome the involvement of community members, especially parents, in a variety of activities. As with all human interaction, concerns will arise. Focused and effective communication is intended to help deal with those concerns in a consistent, comprehensive and credible manner. To ensure that concerns are handled with consistency, comprehensiveness and credibility and that all steps in the process have been taken, a template has been developed. This template will be used throughout the Division and is currently available from Sturgeon Schools and on the Sturgeon Public Schools website.

## Parent/Guardians as Partners

At Camilla School we highly value working with families to plan for the success of all students. We encourage parents to speak directly with teachers and administration on any issues that may arise.

## Parent/Teacher Interviews

Parent/teacher interviews are held two times per year in Fall and Spring. Prior to parent/teacher interviews parents with children in grades K-9 can book their interview online at <https://www.schoolinterviews.ca>. Information on how to book your interview will be distributed prior to interview bookings. Student progress is updated regularly and can be checked through the Parent Portal in PowerSchool. Should concerns regarding student progress arise during the school year parents are encouraged to contact the teacher or the school at any time.

## Equity, Diversity, Inclusion & Human Rights

Camilla School staff, students and families are to share responsibility in being proactive in maintaining a welcoming, caring, respectful, safe and inclusive learning environment that acknowledges and promotes understanding, respect and the recognition of diversity, equity, inclusion and human rights of all students and families within the school community, as per Board Policy 110.

## Violence Threat Risk Assessment (VTRA)

Sturgeon Public School Division is committed to providing safe and caring learning environments for all students, staff, school visitors and community members. To this end, Sturgeon Public School Division has been invested for many years in the continued professional certification of administrative staff in Level 1 & Level 2 Violence and Threat Risk Assessment (VTRA) training across the Division.

VTRA helps schools respond quickly to incidents where students' behaviours pose a potential threat to safety or serious harm.

In the communities we are privileged to serve, we have formalized community-based VTRA protocols with regional partners such as neighbouring school jurisdictions, the RCMP, Alberta Health Services and other community agencies.

We encourage families to take the time to read through our [VTRA Brochure](#) and [VTRA Letter of Fair Notice](#) so you have a better understanding of the protocols we are trained in to ensure the safety of your children.

### **Code of Conduct for Students**

We expect all of our students to act in a manner that promotes learning, respects themselves and others, and maintains a welcoming school that is safe and caring for everyone. - recognize that the Internet is a public platform and that students are responsible for their own actions.

### The students will not:

- visit inappropriate websites or use inappropriate programs
- damage any of the school technology willfully and will tell staff if they see someone else doing it.
- use technology to bully or say hurtful things about anyone else and understand that they may be held accountable for comments made about another student or staff member over the Internet, text, or social media websites. This includes posting comments when not at school.
- plagiarize assignments by using someone else's work as their own (quoting material from the Internet or other sources is encouraged within reason to help support ideas).

### Furthermore, please understand that:

- Computer accounts and Internet access is a privilege and not a right.
- Students should think carefully about anything they may want to publish on the Internet. Anything deleted can be on the web for years after.
- Students at Camilla School will have access to the internet; students must handle it responsibly.
- Students are encouraged to be active at recess and lunch time and technology use is discouraged at these times.

**Note:** Consequences for students who misuse technology could mean but is not limited to being banned from school computers or being asked to keep all personal technology at home, may involve other school consequences such as detentions or suspensions having the device taken away and have a parent pick it up from school, or RCMP involvement when the school deems it

necessary. Should technology use become an issue with a student, the school will work together with the student and parents to resolve it.

### **Assessment & Reporting Practices**

The purpose of assessment is to gather information about student progress in order to improve teaching and learning. Information related to assessment is communicated in a clear manner to students, parents and teachers. Assessment provides students, parents and teachers with an accurate picture of student performance in relation to the goals and objectives of the Alberta Program of Studies. For more information on our assessment practices, homework, and individualized program plans please see our school website for detailed information on our Assessment Plan.

### **What to do if your child needs help?**

Talk to the homeroom teacher. Express your concerns and ask for the teacher's input. Work with your child's classroom teacher to identify your child's strengths and weaknesses. If necessary, a referral may be made to Sturgeon Public Schools Student Services for informal/formal assessment with your consent. As a team, you, the homeroom teacher, and a member of the support team from the student services team will determine the best possible program for your child, including modifications, inclusion and placement. The key to appropriate intervention is effective communication between teacher and parent.

### **Counseling Services**

Camilla School offers a comprehensive school guidance and counseling program which is centered on helping individual students meet their growth and developmental needs – educational, personal, social and career. Delivery of these programs is collaborative and multidisciplinary, involving the school counselor and other school staff. Program success is based on a close partnership among school, home and community.

### **Pre-Kindergarten**

The Pre-K Program is offered at Camilla School and works with families and their preschool children to achieve success in learning and life. Their goal is to prepare children for a successful

educational experience in partnership with their family and the Community. Pre-K accepts children between the ages of 2 1/2 and 5 years of age and is offered to those who would benefit from development of speech, fine motor or social skills. Children accepted into the Pre-K Program must meet the Alberta Education qualifications for funding.

### **Inclusive Education & Integrated Support Program**

Sturgeon Public School Division supports research that indicates students learn best when included in classrooms with peers whenever possible. All students are registered in homerooms with their peers. Teachers adapt and modify program expectations as required. Some students benefit from the support of an educational assistant at various times of the day. This support may be provided in an inclusive classroom setting or may require the students to work outside of the classroom with the educational assistant or the teacher.

### **Knowledge and Employability**

This program provides support to students in reading comprehension, writing and science, social studies and mathematics at the grade 8 & 9 level. The focus is on acquiring strong workplace skills. The program is an alternate curriculum that parallels the regular curriculum. Students can continue with the K&E program at the high school level.

### **Religious Instruction – Grades 1 to 6**

At Camilla school parents of students from grade 1-6 can choose to have children participate in Religious Instruction for 1 block per week. Parents provide permission for participation on a yearly basis.

#### **Religious Instruction**

The religion program at Camilla focuses on building Christian faith. All denominations are welcome and the program is open to students in grades 1-6. The Religion program originated and is rooted in the Catholic faith. It includes study on prayer, Christian holidays, the 10 commandments, Heaven, and values of Christian character. We also attend mass three times per year at the St. Emerence Church in RQB. Reconciliation and Confirmation is done at each of the church parishes and is not part of the programming at school.
